David Alpan, DDS, MSD

Orthodontics

Dr. David Alpan is an orthodontist who incorporates 3D treatment simulations, aesthetics, airway, acceleration, TMJ/TMD, and function into every smile he enhances. Dr. Alpan earned his doctor of dental surgery (DDS) in 1996 and completed his orthodontic specialty in 1998. Dr. Alpan was awarded a master's of science in dentistry for his master's thesis on combining orthodontic treatment with the TMJ in mind. Dr. Alpan says, "If you don't look good, I don't look good." Dr. Alpan is currently in private practice in Los Angeles, Century City, and Woodland Hills. He has lectured for Invisalign from 1992 to 1998 at over 250 locations all over the world. He is a Diamond Plus provider for Invisalign, one of the top Invisalign providers worldwide. Alpan is a Key Opinion Leader for AcceleDent and Propel and has published several articles on accelerated orthodontics. Dr. Alpan says, "If your smile is not becoming to you, then you should be coming to me." Alpan Orthodontics offers a complimentary initial consultation. Schedule online at aeortho.com or call (877) DR-ALPAN.
